## Captain's Corner

Greetings to all JGCC members. May Peace be Upon You.

It's been quite a while since I last wrote on this Corner. The long absence was in fact deliberate, as I had initially intended to write only after the Management Committee meeting so as to be able to update members on the current issues of the Club. Secondly, I wanted sometime to assess the atmosphere and condition of the Club before penning my thoughts.

In my last writing, I mentioned about the state of affairs of the Course and the several programs that we wanted to embark to improve its condition. As this programs involved costs and resources, we were unable to undertake any of it yet until the Management Committee gives the go ahead. To mitigate the adverse conditions. We had however undertaken some temporary measures. To this end, I am pleased to note that the course has improved from what it was 6 months ago. Of course, this is not the end of the journey. Course maintenance is a crusade without a final destination. It must be constantly and consistently address. This crusade would however be less taxing and more rewarding if all golfing members do their part to assist in our objective to have a "Pleasurable Course To Play".

Members can start by ensuring that divots are replaced at all times. Divots are part of the course fair wear and tear. In as much as you would expect dirt marks on your car the moment you drive it, divots would likewise occur on any golf course that is being played. Hence divots will occur more if the traffic is heavy and vice versa.

It has always been considered bad etiquette if members leave divot displaced and not cover it either with the dislodged divot or sand. In doing so, golfers are extending courtesies to the golfers behind. No one likes his or her ball to be lying in a divot. Secondly, if the divot is intact with grass and roots, chances are the grass will take roots and re grow. Putting sand over the replaced divots ensure that the divots remain in place. If all golfers take time off to do so, we would have a pleasurable course to play in.

Replacing divots is a universal golfing ethics. In our course, we have caddies to do that job for us. We pay caddies to carry our bags and tip them for replacing divots, raking bunkers, cleaning our clubs and balls and other ancillary services as permitted by the golfing rules. Nonetheless, the onus is always on the individual golfer. We cannot blame the caddy if the bunker is not raked if we ourselves do not ensure that the caddy raked it. Likewise, we are not absolved of our responsibility if caddies do not carry sand and replace divots. How the sand is being carried, is a matter of preference. Some like to carry sand bucket, some carries sand bags. Whatever the mode of carrier is, it is the duty of every individual golfer to ensure that sand is carried and divots replaced.

One other important issue on the course that we are currently facing is the green. Sometime last month, there was a broken pipe and this had caused the sprinkler system to be out of serviced. Unfortunately, the maintenance contractor had fertilized the greens on the same day. This had resulted in the greens being scorched. The contractors have been asked to rehabilitate the greens. As the roots are still weak, we do not intend to cut the greens for a while until it has developed greens by end of April in time for the Johor Amateur Open scheduled in May.

I note with great disappointment that getting members to participate in monthly medal and inter club matches is always a challenge. Some event had to be cancelled due to the lack of response from members. The Golf Committee has organized these golfing events for the benefits of members and I do hope members would give their support by taking part in them. If there are any suggestions in how we could improve these events to encourage member's participation, please feel free to approach any of the Golf Committee members including myself, to voice your suggestion.

Till we meet again, Happy Golfing

Your Captain

**Hj Ishak Mohd Shariff.**

# GOLF Course News

A golf course play increases in response to user demand and popularity, the additional volumes of play cause added wear and tear upon the very fundamentals of a course. Deterioration of teeing areas, more and more wet spots, dry and barren spots on fairways, patchy, bumpy, soggy or concrete-hard greens, and bunkers that look like a ponds are all symptoms of excessive play.

Every course has a reasonable maximum desirable carrying capacity or volume of rounds, where turfgrass growth and maintenance can balance the volume of play. Age eventually takes its toll, regardless of the level of maintenance applied. At some point, almost every course must be remodeled; it is eventually essential. In general, the higher the annual number of rounds the sooner remodeling will be required.

Our golf course is showing the visual signs of wear and tear. This is a direct result of overuse, aging of the facilities, or excessive use which maintenance is unable to counteract. Many older courses, particularly those constructed in the 1960's or before, were built using local materials, "push-up" dirt construction methods, unscientific seedbed preparation, too small teeing surface, simple irrigation systems, and little or not subsurface drainage facilities. Golf play and maintenance equipment will add traffic, compacting, and wear, tear, leading to deteriorating playing and turfgrass conditions as any course ages.

As more new courses enter our market, the older courses face stiffer competition for membership sales, greens fees or the tourist golfer. Upgrading of the older course, to replace the mundane or boring design with something visually more attractive and strategically more challenging for the player, makes economic sense. Remodeling of private country club courses becomes inevitable too, as passing years render the course "soft" or "average" in appearance, and lacking in today's expected standards of visual dynamics and improved playing challenge.

The advent of technologically superior playing equipment, primarily in shafts, head engineering and golf ball design, shortens course at the same time as the ball flies farther and hopefully straighter. Modern nutrition and training regimes yielding Tiger Woods and want-to-be Tiger Woods place new and serious impact upon older course, and some of recent design as well.

Remodeling, renovation, upgrading, and beautifying of any existing course must consider the long-term impact of any changes and improvements upon turfgrass maintenance. There are numerous designs that look great, are demanding to play, and unfortunately are very hard to reasonably and economically maintain. Improved turfgrass maintenance efficiency should be a critical focus of any renovation or remodeling program.

The Golf Course at Royal Johor Country Club was constructed in 1972. The present layout of the Course was done by YB Dato Ahmad Adam, the then Engineer of the Public Works Department of Johor Bahru. In 1992, teeing grounds, bunkers and the putting green complexes were spruced up in a renovation works. Turf for the putting greens was changed from the local serangoon grass to the Bermuda tifwarf and teeing grounds were covered by tifway 419. Additional bunkers were carved out and old bunkers were reshaped during the last renovation.

The present Golf Course is basically prepared for amateur and social golfing. Social golfing represents 90% of the usage of the Course. However, we have held three professional tournaments, namely the three editions of Iskandar Johor Open, on this Course. Amongst the problems we faced in the preparing for the professional events are :

## a) Insufficient positions for holes

There were some difficulties in locating the positions for each hole for the tournament proper, the practice rounds and the pro-am held in conjunction with the professional event. The putting greens are generally small to comfortably locate the required 6 positions of holes in a week of play.

## b) Green surface for the required green speed

The ideal green speed for social play is 8 to 8.5 feet. Generally, we are able to achieve this speed for club's major competitions but may not be able to maintain this speed for daily social play. For the professional tournaments, a green speed of 10 feet is required. Much effort has to be put in by the green keepers to achieve this requirement. Furthermore, the aftermath of making the speed to 10 feet would be a 2 months of poor putting green surface for the turf to recover. In other words, there is a strain on the putting green surface at this moment to achieve the speed of 10 feet.

## c) Grass type through the green i.e. fairways and rough

The present grass through the green is the local cow grass which is planted from the day the Course was constructed. The cow grass is not the preferred grass type for professional tournaments especially with the European golf professionals. Cow grass is classified as wet season grass and cannot be kept high especially for the rough as compared to the dry season grass.

## d) Soggy Grounds

There are several areas of soggy grounds in the Course. These soggy grounds are due to high water table which is rampant in undulating terrains. The high water table is probably due to the continually subterranean flow of the sprinkled water to the putting green which drains to the approaches of the putting green.

**e) Surface Drains**

Almost all the drains on the course are constructed for the sole purpose of conveying surface runoff after a storm and are not initially meant to be obstacles to the challenge in the adventure of the game of golf. Open drains are the most effective method for conveying the surface run off in the hot and wet equatorial climate but these open drains pose a problem in the Rules of Golf as these drains should be demarcated as Water Hazards/Lateral Water Hazards. These long narrow drains cut the course haphazardly does not augurs well aesthetically.

**f) Length of Course**

The present length of the course of 6954 yards is sufficient for the social play. There are rooms for lengthening the course for the professional tournaments. Holes 18 and 9 can be transposed by pulling back the teeing ground and putting green to allow adequate space for marquees (see clause below) during professional tournaments.

**g) Bunkers and other Hazards**

The existing placements of the bunkers are effective obstacles for the amateur golfers. Considerations should now be given to professional play as many of the present bunkers and water hazards are not in play during the professional tournaments. The positions of new/old bunkers can be designed and/or incorporated in respect of the location of the new tee grounds, if any.

**h) Marquees for Guests**

There are insufficient rooms for the ideal positioning of the guest marquees during the professional tournaments. Additional marquees for other than the 18<sup>th</sup> putting green can be looked into especially, at the 9<sup>th</sup> putting green.

**i) Accesses and Thoroughfares during the major tournaments**

Transportaion accesses are a problem for major tournaments where large lorries are required to ferry the bulky containers and other equipments into the course and to other parts of the club houses. There is also no suitable location for the TV cranes. Spectators' accesses to the course should be given consideration that comes to watch the major tournaments. The make shift pedestrian crossing during the Iskandar Johor Open should be studied to make it as least semi-permanent.

It is about time that the committee look into the above seriously in view of a solution for remedy. As the Royal Johor Golf Course in its current form is now over 35 years (*with only a previous minor renovation in 1992*), it is now past the time to have some substantial renovation work done. It is normal in the life cycle of every golf course to rebuild tees, putting greens and bunkers plant new grasses and thin out trees improve the drainage and irrigation.

# Annual General Meeting

The 41<sup>st</sup> Annual General Meeting of Johor Golf & Country Club convened at 3.30 pm on 9<sup>th</sup> September 2009 while the 42<sup>nd</sup> Annual General Meeting convened at 4.30 pm on 23<sup>rd</sup> July 2010 at the Banquet Hall. The order of business for the assembly included :-

## Sportexcel Royal Johor Junior Open Golf Championship 2009/2010

The Sportexcel-Royal Johor Junior Open Golf Championship was successfully held in 2009/2010. The two-days event gathered 130 juniors, divided into seven categories. Every year the response from the juniors is far more encouraging. All participants used this opportunity to do their best in the golf game and to become a champion.

We would like to take this opportunity to thank Y.A.B. Chief Minister of Johor for his support and interest shown in this Junior Golf tournament and the Johor Junior Development Programme.

We would also like to thank Mr. Teng Mui Ngee, the General Manager of Sportexcel for including this Championship as one of their legs for the Malaysian Junior Golf Circuit.

To MY Golf Shop Sdn Bhd, we would like to sincerely thank you for your sponsorship and we look forward to your commitment and continued support.

# Sultan Iskandar: A Tribute.....

Over the past few years, the Iskandar Johor Open has certainly witnessed a meteoric rise in prominence to cement its stature as one of the biggest professional golf championships on the Asian Tour. The championship certainly won't be where it is now without the enormous interest and tremendous support from the late Sultan, Almarhum Sultan Iskandar Ibni Almarhum Sultan Ismail.

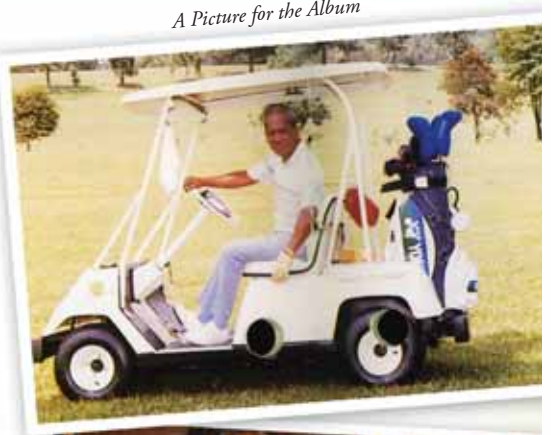

A keen sportsman, Almarhum was well-known for his passion in many types of open-air sports, tennis, squash and polo but he was remembered most as an avid golfer.

Almarhum, who started playing golf in the 80's would spend much of his free time at the Johor Golf & Country Club (formerly known as the Royal Johor Country Club), and his passion was a key force to his rapid progress in the game, where he was a scratch player at one time.

Despite his busy schedule, Almarhum used to play 72 holes a day, mostly at Johor Golf & Country Club. In the early 90's, new golf courses mushroomed in Johor and Almarhum would find the time to visit these golf courses.

Almarhum will always be remembered as the driving force for golf development in Johor. For a start, he was influential in shaping Johor Golf & Country Club to its current status as one of the premier golf courses in the state.

He was also instrumental in establishing a number of professional and amateur golf championships in Johor. One of them was the Royal Johor Classic, which was a permanent feature in the region's golf calendar from 1985 to 1994.

For the Championship, Almarhum personally instructed for the trophy-known as the Iskandar Cup-to be ordered from London. The event started with RM100,000 prize purse and at its peak offered RM500,000 prize money, attracting top players from the region and counted current Asian Tour Executive Chairman, Kyi Hla Han, Filipino Frankie Minoza and Singapore's M.Murugiah among its champions.

Other professional golf events initiated by Almarhum were the PFP Classic in 1985, the Aoki Hubert Green event on the Asian Tour and the Kosaido Ladies Malaysian Open, both in 1986. As for amateur events, Almarhum had a hand in making the Johor Amateur Open a permanent fixture at the Johor Golf & Country Club in the early 90's and the club remains as one of the favourite venues for the championship.

When the Iskandar Johor Open was initiated in 2007, Almarhum consented to having the Iskandar Johor Cup used as the Challenge Trophy. The handsome pure silver trophy weighing a litter over 5kg remains as Almarhum's legacy to this Championship.

### Event Overview 2008

The Iskandar Johor Open 2008, presented by the Iskandar Regional Development Authority (IRDA) and Nusajaya was held at the Royal Johor Country Club from the 30th of October to the 2nd of November.

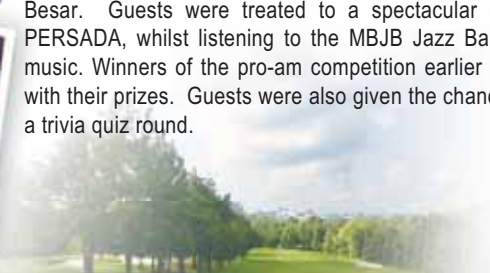

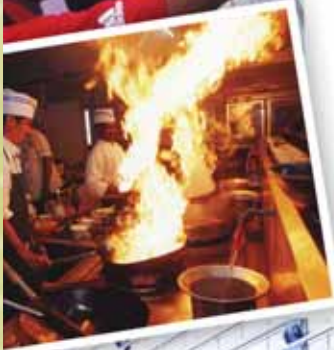

The star player for the event was Retief Goosen from South Africa. Other players of note included Niclas Fasth from Sweden, Thongchai Jaidee and Thaworn Wirachant from Thailand, local Malaysian talents Airil Rizman and Ben Leong as well as Defending Champion Artemio Murakami from the Philippines.

### Pro-Am Session

The Iskandar Johor Open 2008 kicked off with a pro-am competition comprising of 36 teams was held on 28th October 2008. The format was Texas Scramble (4 amateurs to 1 pro). Sponsors and their guests had the opportunity to tee off with some of Asia's best golfers. All 144 participants were given a goodie bag with items from TaylorMade Adidas, Srixon, Fairways and the Johor Tourism Board inside. The day ended on a high note with the winning team and 2 runners up teams taking home some very attractive prizes courtesy of TaylorMade Adidas.

### Welcome Reception

A Welcome Reception was held on 28th October 2008 at The Puteri Pacific Hotel Johor Bahru. Over 300 guests including all the players and sponsors attended the welcome function hosted by the Menteri Besar. Guests were treated to a spectacular selection of food catered by PERSADA, whilst listening to the MJB Jazz Band who played easy listening music. Winners of the pro-am competition earlier on in the day were presented with their prizes. Guests were also given the chance to win more merchandise in a trivia quiz round.

### Royal Suite

IJO 2008 received the Royal seal of approval with appearances by His Majesty The Sultan of Johor. He viewed the action with much interest and expressed his enjoyment of the event.

### Corporate Hospitality

Sponsors and their guests enjoyed the IJO in style in their private marquees overlooking the 18th Green. Creating the perfect atmosphere of networking and enjoying the event, guests were treated to exquisite dining catered by PERSADA, with a mix of eastern and western cuisine. Sponsors were also catered for at the Tasek Lounge, with spectacular views of the 9th Green.

### Spectator Facilities

A Bailey bridge led spectators from the new and improved parking at Taman Merdeka to the 18th Tee of RJCC. There was also a free public shuttle from Danga Bay every half hour.

### Day 1 – 30th October 2008

Welshman Craig Smith fired a sparkling seven-under-par 65 to lead the first round of the Iskandar Johor Open but title holder Artemio Murakami of the Philippines was snapping at his heels. Murakami enjoyed a strong start to his defence, mixing six birdies against a lone bogey for a 67 to trail by two and was matched by New Zealand's Mahal Pearce and Australian duo Rick Kulacz, the recent Brunei Open champion, and Mitchell Brown.

Sweden's Niclas Fasth, a former Ryder Cup player, launched his campaign with a bogey-free 68 for tied sixth place with Australian Kane Webber while South African star Retief Goosen carded a 72.

### Day 2 – 31st October 2008

Sweden's Niclas Fasth lived up to his star billing by taking a share of the clubhouse lead with Australia's Mitchell Brown after weather disruption on Friday. The former European Ryder Cup stalwart shot a second successive four-under-par 68 in the second round to join Brown, who carded a 69, atop the leaderboard on eight-under-par 136. Two-time Asian number one Thongchai Jaidee of Thailand charged into contention with a superb 66 to lie one back while title holder Artemio Murakami of the Philippines was three off the pace after a 72.

A two-hour lightning delay in the afternoon meant that 42 players failed to complete their second rounds and would restart at 7.30 am on Saturday, with the third round scheduled to begin at approximately 9.30 am.

### Day 3 – 1st November 2008

Sweden's Niclas Fasth produced a grandstand finish with three closing birdies to snatch a one-shot lead from Thailand's Thaworn Wirachant after the third round. He carded a two-under-par 70 to put himself in pole position in the US\$500,000 Asian Tour event. Thaworn, Asia's most prolific winner with 10 titles, produced an equally impressive back nine for a 69 to stay hot on the leader's heels.

Joint halfway leader Mitchell Brown of Australia overcame a scrappy start before setting for a 72 to lie two back while Malaysia's Iain Steel raised local cheers with a battling 70 for tied fourth place with Kane Webber of Australia, who also carded a 70. Lurking behind was two-time Major champion Retief Goosen who will enter the last round four off the pace after adding a second successive 69 for tied sixth place with Thongchai Jaidee of Thailand (73), Richard Moir of Australia (70) and Adam Groom of Australia (69).

### Golf Clinics

Saturday 1st November 2008 was also a day for the junior golfers to test their skills against the pros, with the young juniors having a session with Clay Devers and the Proficient Juniors from the Johor Junior Golf Association getting a chance to learn from Niclas Fasth.

Golf enthusiasts from Nusajaya and IRDA had the chance to take part in exclusive Golf Clinics with professionals Scott Taylor and Clay Devers.

The clinic which lasted for an hour saw the pros giving out golf tips and advice.

### Day 4 - 2nd November 2008

South African star Retief Goosen ended a frustrating 21-month title drought with a magnificent two-stroke victory. The two-time Major Champion fired a superb final round of six-under-par 66, overcoming an overnight four-shot deficit to triumph.

Thai veteran Thaworn Wirachant and Australian Kane Webber challenged Goosen all the way before settling for second and third place respectively after a 71 and 70 respectively. Iain Steel was Malaysia's best finisher after a 72 earned him tied fourth place with overnight leader Niclas Fasth of Sweden and Australian trio Andrew Dodt, Richard Moir and Mitchell Brown.

### Final results are as follows :-

1 Retief Goosen (RSA)	276	9 Danny Chia (MAS)	282
2 Thaworn Wirachant (THA)	278	9 Yasin Ali (ENG)	282

9 Unho Park (AUS)	282	19 Gavin Flint (AUS)	284
9 Mardan Mamat (SIN)	282	19 Clay Devers (USA)	284

### Closing Ceremony

Retief Goosen came from behind to beat the field after 4 days of exhilarating golf, carding his first tournament win in 21 months. As the crowds looked on, the weather cleared to allow the winners to receive their prizes on the 18th hole green in front of His Majesty The Sultan of Johor. The winner's cheque of US\$79,250 was presented to Goosen by YAB Dato' Haji Abdul Ghani bin Othman

### Volunteers

Iskandar Johor Open 2008 saw a substantial increase in the numbers of volunteers for the event. The volunteers received golf apparels courtesy of TaylorMade Adidas, one of the corporate sponsors of the IJO 2008, meals and a free round of golf at RJCC.

The third edition of the Iskandar Johor Open was held at the Royal Johor Country Club (now known as Johor Golf & Country Club) from 22-25 October 2009. Boasting a prize purse of US\$1 million, the tournament was on track towards achieving the goal of bringing world class golfing action to Johor and Malaysia.

South African returning Champion and 2-time US Open winner Retief Goosen made a trip to Johor to take on the best of the Asian Tour and defend his title. Playing in the Johor for the first time was South Korean, K.J. Choi. The Asian Tour honorary member celebrated his return to the tour with a popular win that saw him right off a spirited defence from Goosen and the hugely talented young Indian, Himmat Rai.

The Iskandar Johor Open 2009 kicked off the week with 36 teams taking part in the program competition (scramble format). Sponsors and their guests got to experience golf with the big boys when they teed off with some of Asia's best golfers.

Despite the raining making an unwelcomed appearance, the day was capped with by the Welcome Reception dinner and Prize Giving ceremony at the Puteri Pacific Hotel.

Thailand's Chinnarat Phadungsil together with compatriot Pariya Junhasavasdikul and Mark Purser of New Zealand made a spirited start to take the first round clubhouse lead at the weather interrupted first day.

Play was suspended at noon for about three hours due to inclement weather and only resumed at 3 pm. All players who teed off in the afternoon session had yet to complete their round after play was suspended due to darkness at 7 pm.

The full field Asian Tour tournament headed into the third and final round on Sunday after inclement weather forced officials to reduce the event to a 54-hole stroke play tournament

K.J.Choi posted a third and final round score of eight-under-par 64 for a three-day total of 20-under-par 196 to take the title. Chapchai Nirat of Thailand took second place after delighting the galleries gathered at Johor Golf & Country Club with three amazing chip-ins on the 15<sup>th</sup> 17<sup>th</sup> and 18<sup>th</sup> holes en route to a 66.

Title holder Retief Goosen of South Africa returned with a superb 62 to take a share of third position alongside overnight leader Himmat Rai of India who closed with a 70 for a three-day total of 201 at the final round that was suspended for two hours due to thunderstorms.

Result are as follows:-

# Iskandar Johor Open 2010

The Iskandar Johor Open is one of the fastest growing tournaments on the Asian Tour attracting some of the best golfers in the world. The event has been successfully staged at Royal Johor Country Club for the past 3 years and we have secured the event in Johor for a further five years. Since the inaugural event in 2007, the prize money for the tournament has increased by 5-fold from USD300,000 in 2007 to USD1,500,000 in 2010.

The title sponsor, the Iskandar Regional Development Authority (IRDA) represents one of the world's most dynamic growth areas, attracting massive global investment. The Iskandar Johor Open receives truly impressive regional and international coverage, with a dedicated Media & Marketing strategy and daily Live TV coverage working in synergy to deliver exposure to all sponsors. Nearly 300 hours of coverage was aired across the 14 global broadcasters in more than 18 countries and reached over 80 million homes in 2009.

IMG, the world's largest sporting and entertainment management agency, has been appointed as event organizer for this event.

In October 2008, South African Retief Goosen went on to clinch the coveted trophy the next year and the improved purse of USD\$500,000 at JGCC. 2009 marked a milestone in the history of the Iskandar Johor Open, with a 100% increase in prize money to USD1,000,000. Won by Korean K.J.Choi, who triumphed over rising Indian star Himmat Rai and defending champion Retief Goosen the tournament has grown from strength to strength.

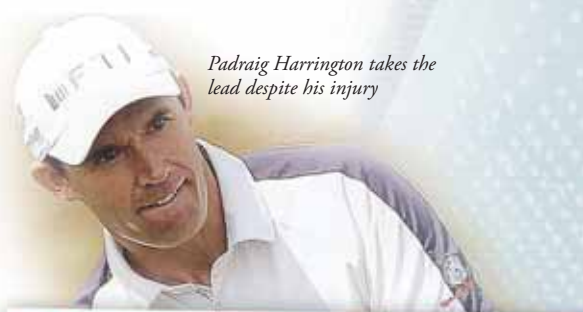

The Horizon Hills Golf & Country Club was the venue for the 2010 Iskandar Johor Open while the championship's total purse has been increased to US\$1.25 million (RM4 million) from US\$1 million previously.

## Annual Bangkok Interport Matches

The Royal Bangkok Sports Club visited Royal Johor Country Club on 24<sup>th</sup> July 2009 for the Annual Interport match. The Royal Bangkok Sports Club delegation was led by their Captain, Mr. Vudhi Lenbury. The lunch and prize giving ceremony was held at the Club's Banquet Hall and it was graced by the presence of His Majesty Sultan of Johor.

The Annual Interport match against Royal Gems Golf & Country Club was held on 19<sup>th</sup> November 2009 and against

Royal Bangkok Sports Club on 21<sup>st</sup> November 2009. The Royal Johor Country Club delegation was led by the Majesty The Sultan of Johor. The response for the trip to Bangkok was overwhelming as 50 golfers from Royal Johor Country Club made the trip to Bangkok.

The Club look forward to the members continual support towards this Annual Trip as it is an important Agenda on our Golfing calendar.

# Social Activities 2009/2010

The Social Sub-Committee organized various non sport related social activities and programmes for members and their families.

In conjunction with the Merdeka celebrations, this Sub-Committee organized various activities during the Merdekafest Week followed by prize giving for all the games during a Gala Dinner at the Banquet Hall.

The Annual Children's Party was successfully held on 12th December 2009 at the Banquet Hall. Besides the members' children, we have also invited orphanage childrens to enjoy the party. A variety of game including a magic show were some of the highlights and at the end of the day Santa Claus gave away the prizes to the winners.

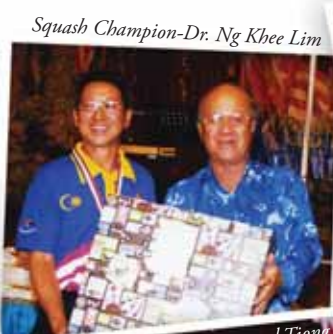

The New Year's Eve Dinner & Dance held on 31st December 2009 at onboard Danga Cruise was a great success. We managed to have 33 tables fully occupied. The Cruise sailed out at 8.30 pm and came back at 1.30 am. Members were very happy and hoped that the Committee organize a better event every year.

In conjunction with the National Merdeka celebrations, a total of 12 players participated in the RJCC Squash Tournament held on 7th August 2009. Players were divided into 3 categories namely :- Open Event, Senior Event and Veteran's Event.

The results are as follows :-

Open Event	:	Champion	-	Dr. Ng Khee Lim
		Runner-Up	-	Dr. Amalourde Raj
Senior Event	:	Champion	-	Ng Nam Chai
		Runner-Up	-	Emmanuel Loh
Veteran's Event	:	Champion	-	Khor Kok Hai
		Runner-Up	-	M. P. Babu

*RJCC Squash Inter-Team Event Champion Team Mr. Babu receiving his prize from Encik Ishak Mohd Sharif*

The finals between Dr. Ng Khee Lim and Dr. Amalourde Raj was an exciting game with contrasting styles of play. While Dr. Amalourde tried to slow down the furious pace of Dr. Ng, it became clear as the game went on, that Dr. Ng will have none of that. The crisp drops and the tight sidewall lengths kept Dr. Amalourde at bay.

Dr. Amalourde put up a gallant fight but finally succumbed to the power play of Dr. Ng.

The results of the Championship are as follows :-

Club Champion 2009	-	Dr. Ng Khee Lim
1st Runner-Up	-	Dr. Amalourde
2nd Runner-Up	-	Ng Nam Chai
Senior Champion	-	L. C. Law
1st Runner-Up	-	Dr. Shah
Veteran's Champion	-	Khor Kok Hai
1st Runner-Up	-	M. P. Babu
Best Score	-	Khairul Nizam
